CO2 PACMAN “The Island I would Like”

COoperation and CO-designing PArtnership for CLiMAte Neutrality

Date: 14th October 2025

Location: Supetar, Island of BRAČ (Croatia)

AGENDA

DAY 1 - Community Engagement & Baseline Insights (*Morning only*)

VENUE: “City of Supetar”, Vlačica 5, 21 400 (Google Maps Link: [Vlačica 5 - Google Maps](#))

10:00–11:30 – Interactive Stations Open (Exhibition Hall or Outdoor Station Area / Town Square)

Attendees are invited to explore five parallel exhibition stations. There are no formal presentations – just open, hands-on activities. Stations include:

- Station A – Poster Walk (Greenhouse Gas Inventory): Review posters on current emissions data.
- Station B – CO2 PACMAN Tool Demo: See a live demonstration of the CO2 PACMAN simulation tool.
- Station C – Ask your citizen on CaN Survey Corner: Take part in the citizen survey, view results, and participate in the Vox Populi session.
- Station D – Landscape Scenario Gallery: Browse visual depictions of future landscape decarbonization scenarios.
- Station E – 3D VR Simulation Experience: Try the immersive virtual reality decarbonization simulation.

11:30–11:45 – Coffee Break (Shaded Seating Area or Outdoor Break Area)

11:45–13:00 – Interactive Stations Continue (Exhibition Hall)

Continue visiting any of the five stations above; facilitators will be available at each station to answer questions and gather feedback.

13:00–13:30 – Clear Exhibition Area (Exhibition Hall or Outdoor Station Area)

Time allocated for clearing and packing up the materials from the public engagement stations.

13:30 - 15:00 - Lunch Break

15:00 -17:00- Internal project meeting

This internal session will serve to review the key outcomes from Day 1 and to prepare and coordinate the activities planned for Day 2. The focus will be on internal alignment among partners regarding logistical, content-related, and facilitation elements for the upcoming sessions.

CO2 PACMAN “The Island I would Like”

COoperation and CO-designing PArtnership for CLiMAte Neutrality

Date: 15th October 2025

Location: Supetar, Island of BRAČ (Croatia)

AGENDA

DAY 2 – Cooperation and Co-Creation: Decarbonization Scenarios through CO₂ PACMAN Simulation

VENUE: “City of Supetar”, Vlačica 5, 21 400 (Google Maps Link: [Vlačica 5 - Google Maps](#))

08:30–09:00 – Registration & Group Assignment (Entrance Hall)

Participants sign in, receive color-coded badges, and are assigned to pre-arranged tables.

09:00–09:15 – Welcome & Day 1 Overview (Workshop Room)

Brief recap of Day 1 and introduction to the day's objectives. Participants form mixed groups of stakeholders.

09:15–09:30 – Presentation of the CO₂ PACMAN Tool (Workshop Room)

- Prof. Simone Bastianoni presents the CO₂ PACMAN simulation tool, explaining its structure, key functionalities, and how it supports decarbonization planning.

09:30–10:30 – Simulation Session 1 (Group Work) – CO₂ PACMAN Exercise (Workshop Room)

Mixed stakeholder teams run the first round of the CO₂ PACMAN decarbonization simulation. Teams discuss strategies and record initial findings.

10:30–10:45 – Coffee Break

10:45–12:30 – Simulation Session 2 (Group Work) – Continue Scenario Development (Workshop Room)

Teams refine their simulation scenarios based on insights. Facilitators assist and encourage discussion.

12:30–14:00 – Group Presentations & Discussion and Wrap up

Each group shares its simulation results and proposed decarbonization scenarios. Open discussion on findings and feedback to all participants.

14:00–15:00 – Lunch Break (Dining Area)

15:00–16:40 | Plenary Presentations 1: From Data to Action

15:00 – 15:20: Presentation of the greenhouse gas inventory of the pilot island

- Simone Bastianoni (University of Siena – Scientific Lead, CO₂ PACMAN)

15:20 – 15:40: AskyourcitizenonCaN survey results and citizens' perspectives

- Gianni Betti (University of Siena) and GIIT

15:40 – 16:20: Youth Think Tank – Local students present their ideas for the island's future

- Representative of Brač Secondary School (TBC)/SDC/SDEWES

16:20 – 16:40 | Co-Creation Lab Outputs – Results of CO₂ PACMAN Simulation

- Representative of CENER 21 / UNISI (TBC)

CO2 PACMAN

**Interreg
Euro-MED**

**Co-funded by
the European Union**

16:40 – 17:00 | Coffee Break

17:00 – 19:00 | Plenary Presentations 2: From Data to Action

17:00-17:40: *Open Innovation Challenge – Selected solution for Brač (Challengers and Solvers)*

- CEEI Valencia – Coordinator of Open Innovation Action, CO2 PACMAN) (TBC)

17:40 – 18:00: *Financing the Transition (Practical)*

- Moderated by GIITT

18:00 – 18:20: *3D Decarbonisation Pathways – Visualisation of Future Scenarios*

- Representative of GEOIMAGING (TBC)

18:20 – 18:40: *Landscape Scenarios – Citizens' spatial preferences and implications*

- Representative of UNIFI (TBC)

18:40 – 19:00: *Audience Reflections and Q&A*

- Moderated by SDC / SDEWES – Moderator presents pledges live on the Digital Commitment Wall

18:55 – 20:15 | Closing Dinner and Networking

Informal networking continues. Participants exchange contacts and facilitators consolidate key connections for post-event follow-up.

**** FOR DAY 2 WE HAVE TO PLAN TRANSLATION EQUIPMENT, LARGE SCREEN AND COMPUTER DEVICES

CO2 PACMAN “The Island I would Like”

COoperation and CO-designing PArtnership for CLiMAte Neutrality

Date: 16th October 2025

Location: Municipality of Podstrana (Croatia)

AGENDA

VENUE: “Hotel Le Meriden Lav ” Grljevačka, 2A, Podstrana, 21312, Split (Google Maps Link: [Hotel Le Meriden Lav, Podstrana](#))

Day 3 – PARTNERS ONLY

09:30–11:00 – Internal Partner Meeting

Agenda:

- Final review of the outcomes from Days 1 and 2.

- Coordination of next steps

11:00 -11:30 Coffee break

11:30–13:30 – Decarbonisation of island rural areas through eco-models of transport - ClimAct Together / Green Move Initiative Event/ CO2 Pacman

- Attend the ClimAct Together / Green Move event, focusing on rural mobility and sustainable practices.
- Introduction to the CO2 PACMAN project, tool and its potential application in rural mobility.
 - Simone Bastianoni (University of Siena – Scientific Lead, CO₂ PACMAN)

13:30 -15:00 Launch break

- Networking with other relevant projects and stakeholders from the region.

- End of the event-
